She may never find another young man that will so suit her tastes, and I recommend her to strike while the iron is hot, and Jehovah, who is the judge of

To the Editor:

GEORGE 27.

I have read the letter of the individual who To the Editor: aigns himself "Louis," and I have been trying seats in the Elevated or surface cers, I should to make up my mind whether he is a man or a like to state that if the Manhattan Elevated monkey. Any man who will stay at home and dress up in his wife's dresses must be an indian.

I guess he has only one suit and he puts his Avenue lines, there would certainly to less the wife's on for a change. Such a man should take a trip to the Sandwich Islands and stay there. F. M. DAVIS, 711 Humboldt street, Brooklyn.

Wants to Give a Present.

To the Editor: Would some of your readers kindly let me know if it is proper for me to give a young man many rounds Corbett and Bullivan fought of a birthday present and if so, what I am not New Orleans. B. ROPUES

receiving attentions from him, but I went with

The young women of the present day will never accord in obtaining steady, sensible huscan put the idea into less than 100 words. Long bands until they majorate their unnatural craywant at least half a dozen drouses per year, with hats, giaves, &c., to match. Any man on salary will naturally shrink from being burdened "Fanny Flutterheart" wants to know why board- with a wife who will not forsake this frivolity ing men do not marry. I am unfortunate enough after marriage. A well-dressed man is he was to be a bearding-house man, and don't mind tell-can obtain two suits a year, and bis wife could women in general, but have no doubt that there presentable clothes just to most her extravagance young man would be proud to know. My com- shabby genteel before his acquaintances, and plaint is this, that I have no satisfactory way of loving wife would surely deprive herself of many meeting young women from whom to choose a guegava to keep her husband looking the hand-

I have had quite a discussion with a friend of mine on the question of "Whether it is better to make a resolution and break it than never To the Editor:

Kindly inform me, if a young lady is visiting the readers of your paper to decide. A. L. D. to have made one at all." It was to be left to

They Spend the Entire \$15.

After having carefully perused your columns for information as to how to manage to exist on a small salary, I write in order to ascertain it some level-headed and experienced young couple can give me a few good tips how to get along moderately and comfortably on a malary of \$15 per week. My husband has no had habits, and to a model and saving man, and I am not of an extravagant thra of mind, but still I cannot com-prehend how it is that we cannot mave a little money. Perhaps some young couple who read your invaluable paper can advise me what to da

Who Should Have the Chair? To the Editor:

We are employed in a dry-goods store in the crockery department, where there are two young ladies and one gentleman. There are two chairs between the three of us, and would some of you readers kindly tell me if it is polite for the gentleman to take the chair when one of us goes to wait on a customer and not return it until be gets up to go out? M. B. and C. H.

Schoolgirls Must Not Go Out.

Women Should Light Fires. To the Editar Bravo, "Mand H.," I also believe that it i

More Trains, More Seats.

Regarding all this telk about who should have Railroad Company would put more trains int Avenue lines, there would certainly be less dis-

To the Editor: To obligo a constant reader, please state !

To the Editor: In reply to the "Unhappy Girl's Appeal" I profit by the example of her beau and be willing have this to say: How many happy homes have been broken up where the young ladies were al fers in a few ceremonies, to nearly all other re- lowed to roam about the streets at night, even

the good and the evil, will not misjudge her and a woman's place to light the fire if the se able punish her for a sin where no sin is intended.

and well, and my place to rece that one of the second to see that one of the second to second to see that of the second to second and well, and am pleased to see that one of the gentler fex has courage enough to my a word for poor hubby.

putes on the subject. I trust your worthy Twenty-one.
